“ *Bill was my father n law. Though we didn't know each other very well, he had reached out to me in the last days of his life and yearned for his grandsons to know about him. I'm sorry my sons who inherited the name Knutson from you will not know you. May you rest in peace.*

“ Our condolences to Billy's family. We first met Billy many years ago in Huntington when we used to live there. We shared a lot of great times together, we both loved the beach, seeing the sunset and the night life of Huntington. We would share stories of our lives, he would talk about his children and grandchildren, whom he loved dearly, and would show us pictures of them.

Our Last time together was on the forth of July, we spent the afternoon together, having cocktails and walking on an empty beach in the Hamptons. He looked good that day and we took pictures and watched the sunset.

These memories will be forever in our hearts and we will miss our good friend Billy Beach

“ *I am so very sorry. Billy sat across from me at Simpson Junior High. We enjoyed ballroom dancing lessons at the Crescent Club together. Later on in life - a few dates and tales of both of us being in the boat business. He will always be a fond memory. Classmate, Barbara Minerd*
