“ Bill had a smile that made you want to smile. I remember the sound of laughter when he picked me up in his arms and carried me. His spontaneity and sense of humor as well as caring will always be remembered His friendship throughout the years will always bring joy to my mind.

The last time Kathy and Bill visited us was during the summer. His favorite dessert was my coconut custard pie. Off course I made it for him with real sugar and not a sugar substitute. I placed the entire pie in front of him with a large serving fork and we all laughed.

“ Barbara & I remember many good times, many many laughs ,great food & an occasional tour on the houseboat with Captain Bill. Also remember several seasons of going to a small theater on Route 110 & Bill always preferred sitting in the back row.(He never made it to the end without falling asleep)

Bill was always a generous person & would always go out of his way for you. WE owned an Audi for several years & never had to take it for service because Bill always did.

Never had a bad word to say about anyone.A GOOD guy.

I will also miss our catching up at the bagel store
