“ I remember Woody from our school days in Huntington and around the neighborhood. He always had a smile on his face and was kind to everyone. As many do after you graduate you drift apart and go your separate ways. I never forgot kind he was. R.I.P. old friend.

“ We honor and remember my beloved Uncle Woody — a kind, strong-willed, loving man who was always a protector to those he cared about. He was a truly loving uncle who showed up in our lives with patience, warmth, and generosity.

Some of my most cherished memories are from childhood when he would take us to the park, skating, to the beach, and to so many other places that filled our days with laughter and joy. Those moments may have seemed simple, but they meant the world to us and created memories that will stay with me forever.

Uncle Woody was also present for some of the most meaningful milestones in my life. I will always remember him being there for my wedding, the travels we shared, and the times he would drive down to Florida for the summer. His presence brought comfort, laughter, and love wherever he went.

I will truly miss the conversations we shared, the wisdom he passed down, and even his cooking that brought everyone together. He had a special way of making people feel cared for, protected, and loved. Though our hearts are heavy, we thank God for the gift of his life and the many memories he gave us. We take comfort in knowing that God has called him home and that his soul now rests in heavenly peace.

“The Lord is close to the brokenhearted and saves those who are crushed in spirit.” — Psalm 34:18

Rest peacefully, Uncle Woody. Your love, strength, and the memories you gave us will forever live on in our hearts. 🕊️🙏
