“ Yessica always had a big smile, a kind word, or a playful comment for me whenever she visited. Her kindness often held me up when I wasn't sure how I was going to make it through the day. Big love to her and Jared.

“ I would like to share with everyone that Yessica is one of the kindest souls I ever met. i'm glad I got to know her. her personality is one of a kind and she has a caring heart that's made of gold. she always wants to make sure that everyone around her is doing good. she's very funny and all I can think of is all the laughs that we shared together. all she has to do is be herself. her aura radiates like no other. one of my favorite memories of her is going to the karol g concert together, having late night food at chillis/applebees/millers and her gatherings at her backyard. she will be missed greatly but all her loved ones. may she rest in peace ☐
