“ Hi Mommy 2 months now since you're passing. Que duro es la vida cuando uno se da de cuenta cuando un ser querido ya no esta. Aun sin poder creerlo tratando de asimilar como y porque estan cosas pasan en la vida. There's not a day that goes by where I don't think about you. I know this is hard for me and I hope and pray god gives me the strength and comfort to be able to continue life without you but its so hard. I miss everything about you. the kids miss you a lot they always ask about Abuela Zaida . id give anything anything for you to be here and hug you tight. I want to let you go in peace but because I cannot find any comfort until I let you go only time will tell when I'm ready. I will never ever forget about you mommy forever in my heart. A dios que sea nuestra misericordia. ill tell you what though you're passing has affected me me so much made me realize a lot in life and not take life for granted for sure. My guardian angel please always watch over me and you're grandkids Yesiel, Kendrick and Leilani. TE AMAMOS MAMITA . love you so much mommy :(Denise Tu Hija !

“ Hi mommy, today marks one month of your passing and words cannot begin to describe the hurt, sadness, numbness feeling I have knowing that you are gone but never forgotten. 2 times this week I have been dreaming about you and speaking to you apparently calling for you saying "yes mami I'm here" not sure what you're trying to tell me in my dreams but if I can return time I sure would love to hug you tight and never let you go. Un dolor imenso siento sin ti mami. nunca pense que esto me pasaria a mi sabiendo que tu eras una Mujer Fuerte, Luchadora y nunca te dejabas vencer. Te Amo y Extrato tanto daria lo que fuera por volverte a ver y nunca dejarte ir. Me encanto compartir contigo los ultimos momentos en tu vida desayunabamos juntos y te reias conmigo porque te compraba tus sorullitos de maiz que querias en las manana y tu cafecito con 3 splenda que me pedias y de almuerzo me mandabas a pollo tropical simepre porque te encantaba el Asopao de pollo de ahi. those last momentos i cherish the most. Jamas olvidare antes de irme al aereopuerto me agarrabas de la mano y me mirastes a los ojos y e dijites " hay Denise sabes que te amo mucho verdad"? y te respondi " yo tambien te amo mucho mami " con un beso en la frente te di. Tus nietos preguntan por ti siempre y leilani que aunque la conocistes por facetime cuando estaba alla contigo en el hospital te hiso sonreir ella . quiero que sepas que en nuestro corazon siempre estaras y nunca te olvidaremos forever in our hearts mamita querida. I love you forever and always . Tu Hija Chiquita Denise

“hello my name is Denise Baez the youngest daughter of Zaida she was my mommy. she was a hardworking single woman who took great care of my self and sibling making sure we had everything we needed in life. at age 15 my mom did un Quinsanero for me she custom made my dress and I remembered she worked two jobs in order to give me the best party ever to which she succeeded as a mother and I will forever be grateful for that. we had our mother daughter first dance as well as she changed my shoes and crown I felt like a princess all because of her. when I was just 18 I had my 1st child Yesiel and I was so scared because I didn't know what it was like to have a baby but my mom was their every step of the way to guide me through and adored him till the very end "el Nene de abuelita" she would say. Before my mom got really sick I had the chance to go see her June 19th-23 and was there with her and I remember one special moment I will never forget that she looked up at me and said "Hija Denise sabes que te quiero mucho verdad" I looked at her and I said si Mami yo tambien te quiero mucho tu vas a salir de todo esto no te preocupes y me dijo cuida de tus hijos y espero ver a mi nueva nieta leilani un dia. I said yes mommy you will, I facetimes and she was able to see my daughter through camera. son tantas cosas que yo tengo que decir sobre mi mama pero el dolor y tristeza no me deja. pero Mamita quiero que sepas que en mi corazon siemore estaras y que tu partida fue demasiado chocante y fuerte para mi super inesperada tan joven y brillante. aunque ya no estas en tierra tu recuerdo siempre vivira en mi corazon. Te amo mucho vuelvo y digo tu partida me ha dejado tan chocante que se me hace dificil comer y dormir mamita pero ahora eres mi angel de la guarda. Tus Nietos Yesiel, Kendrick y Leilani te aman mucho y te recuerdan con mucho amor y carino en especial Yesielito como decias tu mami que el esta sentido tambien por tu partida. Descansa en paz mommy we love you !!!!
